

Directions & Map to 4755 Pasture Road, Fallon NV 89406

1. To get onto base, there is only the main gate. The second gate is for large deliveries and CAG, so we recommend using the main gate that is on Pasture Road and Cottonwood Drive. If you plug in the address, it will take you to the vicinity of this gate (yes it stops just before the main gate)
2. From any hotel in town, get onto highway 50 (the main road that runs east and west in Fallon) and turn onto highway 95 going south.
3. From here turn left onto Wildes Road and follow this road for 3 miles till you come to Pasture Road.
4. Turn right and follow Pasture for 2 miles coming to Cottonwood Drive. Main gate will be a left turn. (Right turn will take you into NASF housing)
5. **OR** continue to follow 95 south till you reach Union Lane. Turn left onto Union and follow until you get to Pasture Road and turn left. Cottonwood Drive/Main Gate will be a right turn coming from this way.
6. Please use the map on the next page to get there as it is tucked into the corner of the installation.

7.

Conference will be in Building 77/Navy Multipurpose Building

Directions to get to building 77 once inside the main gate:

Easiest way to get there from NGIS and the main gate is to take Churchill Road to the roundabout and take the first right to Carson Road.

Then take the first right to Union Road, then second right onto Jackrabbit Street, turn left onto Quail and park anywhere in there and walk past the hotel-looking buildings to the building in the middle.

OR you can also take Churchill Road, right onto Lahontan Road and then right onto Quail Road and go all the way down and park before you hit the corner.
